BLADENSBURG ARCHAEOLOGY

Examining the Archaeological Resources of the George Washington House, the Magruder House, the Market Master's Square and House, and the War of 1812 Battle of Bladensburg.

Public History Workshop the first in a series of three

The Archaeology Department of the Maryland State Highway Administration will begin the Civic Engagement component of its Bladensburg project with a public history workshop organized by collaborating partners at the Center for Heritage Research Studies of the University of Maryland. All community members are welcome to attend! The workshop will include a talk about the history of Bladensburg by Dick Charlton of the Aman Memorial Trust.

Highlights

- Learn About Bladensburg History
- Learn About the Archaeology Project
- Share Your Ideas, Thoughts and Memories of Bladensburg History

The First of Three Workshops!
